

MOUSTAFA ALETREBY

200% sales growth. 4,000% ROMI. 85% reduction in CPS. As a Digital Marketing Manager, I leverage 11+ years of expertise to transform paid media into a high-performance growth engine.

Yeovil, Somerset, United Kingdom | Email: moustafa.aletreby@gmail.com | [LinkedIn Profile](#) | Phone: +447931884351

I have a valid work permit and do not require future visa sponsorship.

Marketing expert with hands-on experience scaling acquisition across multiple international markets. I've managed multi-channel campaigns in both agency and in-house settings, taking responsibility for strategy, budget allocation, and client or stakeholder outcomes. My work focuses on capturing high-intent demand, strengthening measurement frameworks, and aligning paid media with SEO, CRM, and wider commercial objectives to produce consistent, profitable growth.

AREA OF EXPERTISE

• Content, Creative & Visual Production:

- Content Strategy and Optimisation
- Canva, Adobe Lightroom
- Content Creation & Photography

PROFESSIONAL EXPERIENCE

Marketing Manager | January 2024 – September 2025 ASRS Ltd. (Structural Repairs) – UK

- Achieved over 4400% ROMI (Return on Marketing Investment) across all digital marketing activities in a year.
- Grew our LinkedIn presence and generated high-quality leads and contracts through organic activities, building strong relationships with the different stakeholders such as councils, property managers, structural engineers, suppliers, insurance companies, heritage and listed-building specialists and loss adjusters.
- Led the SEO strategy that secured #1 rankings for priority service and location keywords while improving domain authority.
- Created and optimised website content (blogs, case studies, landing pages); managed all digital channels.
- Contributed to building and managing our first CRM system, improving lead tracking, reporting accuracy and overall workflow.
- Produced offline marketing collateral and coordinated industry events.

Marketing Assistant | June 2023 - December 2023 ASRS Ltd. (Structural Repairs) – UK

Digital Marketing Manager | October 2021 – June 2023 VAAL REAL ESTATE – Ghana

- Developed lead generation campaigns, increasing closed deals by 23% in 6 months.
- Led a remote team, managed digital campaigns, and optimised social media presence.

Digital Marketing Freelancer | June 2020 – June 2023 Self-Employed

- Managed campaigns and provided consultancy for major clients in diverse markets across the UK, EMEA, and GCC (client details provided in portfolio), covering sectors such as non-profit (UN), e-commerce, real estate, petroleum, food & beverage, retail, tourism & travel activities, medical, Beauty, health & wellness, fitness, cinema and mobile apps.
- Directed digital marketing strategy, website assessments, and annual CSR campaign planning for large organisations.
- Trained junior marketers and agency team members.

Digital Marketing Team Leader | June 2019 – May 2020 Minvotech (Digital Agency) – Egypt

- Led digital marketing and web development teams for startups and SMEs across eCommerce, furniture retail, and recruitment platforms (B2B & B2C).
- Increased website traffic and leads by 25%, improved conversion rates by 30% through A/B testing and optimisation.
- Delivered 15% average revenue growth via targeted social media and digital advertising campaigns.

Digital Marketing Team Leader | December 2017 – June 2019 OLM (On Line Media) - Cairo-Dubai

- Managed digital campaigns for key clients across the UAE, Qatar, KSA, UK and Germany, including Swissblu (blu), Dental Centre Dubai, Red Sea College and Xclusives Card, Egypt's first loyalty programme.
- Delivered major performance gains for Swissblu by reducing cost per acquisition by 87% and driving a 200% increase in sales through a structured optimisation strategy I developed.
- Led the full digital delivery for Xclusives Card, handling audience analysis, programme management, offer setup and reporting, and running campaigns for merchants across food and beverage, apparel and other industries.
- Created gamified campaigns during major tournaments such as the World Cup and the African Cup, using retargeting journeys that increased brand awareness, lowered CPA and strengthened partner relationships.
- Oversaw multi-channel social media activity and coordinated all in-house creative production to maintain consistent performance and delivery across accounts.
